JUDGE DAVID GUADERRAMA

UNITED STATES DISTRICT COURT WESTERN DISTRICT OF TEXAS **EL PASO DIVISION**

§ §

MICHELLE NAVAREZ,

Plaintiff.

v.

NATIONAL ADMINISTRATIVE SERVICE CO., LLC a Ohio Limited Liability Company, and \$ AFFORDABLE AUTO PROTECTION, LLC a Florida Limited Liability Company \$ Defendants.

EP21CV0248

PLAINTIFF'S ORIGINAL COMPLAINT

PARTIES

1. Plaintiff MICHELLE NAVAREZ ("Plaintiff") brings this Complaint and Demand for Jury Trial against Defendant NATIONAL ADMINISTRATIVE SERVICE CO., LLC ("National") and Defendant AFFORDABLE AUTO PROTECTION, LLC ("AAP") (together "Defendants") to stop placing calls to Plaintiff's cellular telephone and to obtain redress as authorized by statute.

NATURE OF ACTION

2. Defendants offer services to businesses and consumers. As part of marketing their products and services, Defendants and their agents placed calls to Plaintiff's cell phone that used an autodialing system and a prerecorded voice advertisement.

- Defendants make unsolicited and unauthorized phone calls to consumers using false and misleading statements and artificial or prerecorded voice messages to sell vehicle service contracts (VSCs).
- 4. Defendants did not obtain consent from Plaintiff prior to calling her cell phone, and

 Defendants is therefore liable under the Telephone Consumer Protection Act 47 U.S.C. §

 227 (the "TCPA") and its implementing regulation, 47 C.F.R. § 64.1200(a)(2).
- 5. Congress enacted the TCPA in 1991 to restrict the use of sophisticated telemarketing equipment that could target millions of consumers *en masse*. Congress found that these calls were not only a nuisance and an invasion of privacy to consumers specifically but were also a threat to interstate commerce generally. *See* S. Rep. No. 102-178, at 2-3 (1991), as reprinted in 1991 U.S.C.C.A.N. 1968, 1969-71.
- 6. The TCPA targets unauthorized calls exactly like the ones alleged in this case, based on Defendants' use of technological equipment to spam consumers on a grand scale without their consent.
- 7. By placing the calls at issue, Defendants have violated the privacy of Plaintiff and caused her to suffer damages that are recognized by statute.
- 8. Plaintiff therefore seeks an injunction requiring Defendants to stop calling her cell phone, as well as an award of actual and statutory damages, civil penalties, costs and reasonable attorneys' fees.

PARTIES

9. Plaintiff MICHELLE NAVAREZ ("Plaintiff") is a natural person and is a citizen of the Western District of Texas and was present in the Western District of Texas during all calls at issue in this case.

- 10. Defendant NATIONAL ADMINISTRATIVE SERVICE CO., LLC ("National") is a Limited Liability Company organized and existing under the laws of Ohio and can be served via registered agent Corporation Service Company 50 West Broad Street, Suite 1330, Columbus, Ohio 43215.
- 11. Defendant AFFORDABLE AUTO PROTECTION ("AAP") is a Limited Liability Company organized and existing under the laws of Florida and can be served via registered agent Gus Renny at 1300 Old Congress Road, West Palm Beach, Florida 33409.

JURISDICTION AND VENUE

- 12. This Court has federal subject matter jurisdiction under 28 U.S.C. § 1331, as this case arises under the Telephone Consumer Protection Act, 47 U.S.C. § 227, which is a federal stature.
- 13. This Court has supplemental subject matter jurisdiction over Plaintiff's claim arising under Texas Business and Commerce Code 305.053 because that claim arises from the same nucleus of operative fact, i.e., Defendants' telemarketing robocalls to Plaintiff; adds little complexity to the case; and doesn't seek money damages, so it is unlikely to predominate over the TCPA claims.
- 14. This Court has personal jurisdiction over Defendants because they conduct business in this District and in the State of Texas and because the events giving rise to this lawsuit occurred in this District.
- 15. Venue is proper in this District pursuant to 28 U.S.C. §1391(b) because Defendants regularly conducts business in the state of Texas and in this District, and because the wrongful conduct giving rise to this case occurred in this District.

FACTUAL ALLEGATIONS

- 16. On February 26, 2021, Plaintiff received a call on her cell phone (915) 702-3424 from defendants from phone number (915) 302-2682 a spoofed caller ID number.
- 17. Plaintiff answered and heard an artificial or prerecorded voice message.
- 18. The artificial or prerecorded voice said that "your car warranty is about to expire" and "press one to speak to a representative."
- 19. Plaintiff pressed one and was transferred and greeted by a representative with a heavy Asian accent and then the call was dropped.
- 20. On March 3, 2021, Plaintiff received a call on her cell phone (915) 702-3424 from defendants from phone number (941) 655-9817.
- 21. Plaintiff answered and heard the same artificial or prerecorded voice message.
- 22. The artificial or prerecorded voice said that "your car warranty is about to expire" and "press one to speak to a representative."
- 23. Plaintiff "pressed one" and call was dropped while transferring.
- 24. On March 8, 2021, Plaintiff received a call on her cell phone (915) 702-3424 from defendants from phone number (828) 544-8748.
- 25. Plaintiff answered and heard the same artificial or prerecorded voice message.
- 26. The artificial or prerecorded voice said that "your car warranty is about to expire" and "press one to speak to a representative."
- 27. Plaintiff pressed one and was transferred and greeted by a representative with a heavy Asian accent that was soliciting services for a VSC.
- 28. Plaintiff was annoyed and aggravated due to continuously receiving illegal robocalls from unknown telemarketers.

- 29. Plaintiff did not need, or want, a VSC but purchased and received a VSC from Defendants in order to determine who was making the illegal robocalls.
- 30. Plaintiff received a VSC via USPS that has Defendant National as the administrator and Defendant AAP as the seller.
- 31. Table below displays the unauthorized calls made on behalf of the defendants.

Date	Time	Caller ID
2/26/2021	10:07AM	915-302-2682
3/3/2021	9:03AM	941-655-9817
_{32.} 3/8/2021	12:08PM	828-544-8748

- 33. Defendants employ outrageous, aggressive, and illegal sales techniques that violate multiple federal laws and state consumer statutes.
- 34. Defendants and their agents and co-conspirators amassed lists of thousands of vehicle owners from public records, vehicle sales and registration records, and data aggregators and then sent phone calls using artificial or prerecorded voice messages *en masse* to market their VSCs.
- 35. Defendants participated in, facilitated, directed, authorized, knew of or willfully ignored the false and misleading sales practices and unlawful robocalling, while knowing facts that required a reasonable person to investigate further, and approved, and ratified the conduct of their employees, agents, and co-conspirators to engage in the false and misleading sales practices and unlawful robocalling.
- 36. Defendants have knowledge of and have adopted and maintained TCPA violations as a sales strategy. This is amply supported by the complaints Defendants receive that are available from the Better Business Bureau ("BBB"). The full scale of the complaints Defendants receive is not currently available to Plaintiffs but will be revealed through discovery to amplify what is shown below.

- 37. Defendants refuse to take any action to stop or curtail the unlawful sales practices and robocalling because these practices benefit Defendants.
- 38. Plaintiff never consented to receive the calls alleged herein. Plaintiff had no relationship with Defendants prior to the calls alleged herein.
- 39. Defendants advertised their products by falsely informing the consumer that their warranty had expired and that Defendant's product would "extend" the original auto manufacturer's warranty coverage. The VSCs are not auto warranty extensions and do not provide auto warranty coverage. The VSCs are also with parties other than the original manufacturer of the vehicle and warrantors.

The Texas Business and Commerce Code 305.053

- 40. The Texas Business and Commerce code has an analogous portion that is related to the TCPA and was violated in this case.
- 41. The Plaintiff may seek damages under this Texas law for violations of 47 USC 227 or subchapter A and seek \$500 in statutory damages or \$1500 for willful or knowing damages.

INJURY, HARM, DAMAGES, and ACTUAL DAMAGES AS A RESULT OF THE CALLS

- 42. Plaintiff has been annoyed, harassed, and irritated by robocalls placed by the Defendants and other similar companies.
- 43. Plaintiff has been denied the use of her phone, enjoyment of her phone, and had the functionality of her phone decreased because of unnecessary charging, erosion of phone memory, and had her privacy invaded by the harassing robocalls.
